RAMA Industry Night 2023
Networking and reuniting under the lights of Toronto
February 16, 2023| 5:30 pm – 1:30 am | Valerie, 27th floor, Hotel X

The Rotman Asset Management Association (RAMA), one of the largest clubs at the Rotman School of Management, University of Toronto with 350+ members, is a student-led organization whose foremost objective is to be an invaluable resource for students that are interested in pursuing a career in investment management, and runs the student-led investment fund of Rotman Student Investment Fund to provide practical experiences.

RAMA is excited to bring to your attention our flagship networking event, the Asset Management Industry Night for all graduate business programs at the Rotman School of Management. For several years, the Industry Night has brought together current students, alumni and prominent industry professionals, who have a strong interest in connecting with like-minded individuals pursuing careers in the asset management field in Canada.

After a few years of pandemic disruption, the Industry Night will once again be held in person at Valerie, the rooftop social lounge at Hotel X, for a cocktail reception complete with beverages, food, and ample networking opportunities:
- Connect with other industry professionals, many of them being Rotman alumni
- Meet prospective future talent from Rotman's graduate programs, who are passionate about joining the Canadian asset management industry

This year, we anticipate increased interest and participation as this will be the first in-person Industry Night post-pandemic, expecting 120 attendees to join throughout the evening.

We would like to extend an invitation to the partner organizations of the WCM community who may be interested in sponsoring our event. We are accepting **sponsorship amounts between $500 - $1,000+**. All current and former RAMA members appreciate the generous support for our student-run association.

Please reach out to our event coordinator **joseph.lo@rotman.utoronto.ca** if you would like to get involved in supporting this incredible event. We look forward to hosting you!
